Subject:-Inclusion of B.Sc. (Hons.) Dairying in nomenclature list of Under Graduate Programme of Indian Council of Agricultural Research.

Dear Prof. Lal,

This has reference to your letter No. VC-191/ICAR/2018/CO-1 dated October 1 2018, on the subject cited above. In this context, I would like to submit that Agriculture is a state subject and it is under the purview of the State Government. Further, the individual university is empowered to start a new course/ program in the university with required infrastructure and faculties.

I am happy to note that Sam Higginbottom University of Agriculture, Technology and Science, Allahabad has ongoing programme of B.Sc. (Hons) Dairying/ B.Sc. (Hons) Animal Husbandry & Dairying. The programme will be accredited by the ICAR as per Admissible rules. Dairying / Animal Husbandry & Dairying is an allied discipline of Agricultural Science and the BSc.(Hons) Dairying / B.Sc. (Hons) Animal Husbandry & Dairying be considered equivalent to other Agricultural degree programmes for job in state and Central government or in private Industry.

With regards,

Yours sincerely,

(N.S Rathore)
